## IDEAL INTEGRATIONS, INC. HIRES NEW EMPLOYEE TO SUPPORT THEIR ENGINEERING TEAM

NORTH VERSAILLES, PA – August 14, 2013 – Ideal Integrations, Inc. has announced the hiring of Tim Jones to the engineering team.

Tim Jones was recently hired as a Project Engineer at Ideal Integrations, Inc. He attended college at Millersville University studying Accounting/Business Management. Tim has numerous certifications including Microsoft Certified IT Professional, Cisco Certified Network Associate and Riverbed Certified Solutions Associate. Formerly working as a Technology Specialist, the experience he gained at AEC Group made him the best possible choice for a project engineer. As a Project Engineer, Tim will be supporting the design and implementation of IT projects within the infrastructures of our clients' network.

Ideal Integrations, Inc. is an IT systems integration company specializing in design, implementation, maintenance and management of infrastructure - ranging in scope from single projects to complete services and solutions. From start-ups to companies generating over \$2 billion in annual revenue, our customers span numerous industries and locations across the U.S. For more information on Ideal Integrations, Inc., please visit [www.idealintegrations.net](http://www.idealintegrations.net).
